

ADDITIONAL SITE INFORMATION

SITE and BUILDING HOURS: Exhibitors can set up in the arena starting at 5:30 PM Thursday. The arena will be set up at 5:00 PM. If the arena layout is done earlier, the club will allow exhibitors to set up at an earlier time. The arena will be open to exhibitors at 7:00 AM Friday, Saturday and Sunday. The Trial Committee reserves the right to consolidate or move setups if necessary, to ensure crating space is available for all and access to the ring and practice jump is maintained.

VOLUNTEERS: Volunteers are the back bone of every trial. We will use a white board to sign up for most jobs. Please sign up early and often.

People who volunteer to help will be given priority crating indoors.

Dust Control: Twin Willows Farm indoor arena is a horse arena. We have been advised that Magnesium Chloride Hexahydrate has been used in the past, mixed in with the dirt to control dust. This is not the same strength that is used on roads to melt ice. Safety Data Sheet available upon request of trial secretary.

FOOD AT THE TRIAL: There will be no food provided for this trial. Fast food restaurants are located in Deer Park.

Please clean up after your dogs on the show grounds (and at your motel)!

WATER: NO potable water is available on site. Please be prepared by bringing your own for yourself and your dogs.
