Bitches in season, aggressive dogs, blind dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are ineligible to participate. Mixed breed dogs that have been listed with AKC Canine Partners are eligible to participate, provided that their listing number has been recorded on the entry form. Please designate the dog's breed as "All American Dog" on the entry form.

Important Information for Exhibitors -- PLEASE READ!

Conditional, unsigned, incomplete, illegible, telephone, fax, e-mail or telegraph entries cannot be accepted. Entries not on official AKC forms, or photocopies of AKC forms without the agreement and rules on the reverse side of the official AKC entry form, are not acceptable. Returned checks do not constitute a valid entry.

Owners are responsible for errors on entry forms, for entering the same dog twice, or for entering a dog in a class for which it is not eligible, regardless of who makes such errors. Dogs wrongly entered in a class may not be transferred to another class after closing, EXCEPT as provided for in the Regulations for Agility Trials, Chapter 1, Section 21. Be sure to check your entry form carefully and make certain you have entered the correct class(es). Contact the Trial Secretary if you have questions.

Entries sent by express mailing services MUST have the delivery signature requirement waived, otherwise receipt may be delayed. Entries will not be

considered as being received until they are delivered to the address given on the entry form. Please note the opening date of Aug 11, 2025; no entries will be accepted before that date. Entries for a maximum of ten (10) dogs are allowed in one envelope; envelopes containing entries for more than ten dogs will be considered invalid and will be returned to the sender. No hand delivered entries can be accepted until 8:00a Aug 11, 2025.

Entry fees will not be refunded in the event of errors or cancellation of entries after the published closing date, or in the event a dog is absent (other than as specified on page 2), disqualified, excused by the Veterinarian or Judge, or barred from competition by the Show Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

THIS CLUB DOES NOT AGREE TO ARBITRATE CLAIMS AS SET FORTH ON THE OFFICIAL AKC ENTRY FORM FOR THIS EVENT.

Confirmation of entry and judging schedule will be e-mailed (or sent by postal mail to the address on the official AKC entry form, if no e-mail is provided) after the closing date; if not received at least 7 days prior to the show, contact the Trial Secretary. Acknowledgment of receipt of entries prior to closing will be provided if the exhibitor provides a valid e-mail address on the entry form, or includes a stamped, self-addressed postcard with entry.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Spokane Agility Club, Twin Willows, and trial secretary assumes no responsibility for any loss, damage or injury sustained by exhibitors, handlers, or spectators, or to any of their dogs or property, and further assumes no responsibility for injury to any child not under the control of his or her parents or guardians. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site and no refund of any fees paid will be made. All dogs must be on leash at all times except when in the ring or designated warm-up area.

The safety of dogs is primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

A complete set of rules for all classes is available from the American Kennel Club, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390, or from the AKC web site, <http://www.akc.org>.

Entering Regular & Preferred Jump Heights

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights [in different classes] within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred classes and/or different jump heights within the same trial weekend, thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend. [EXAMPLE: if you are entering a dog in some Regular classes and some Preferred classes, submit one entry form for the Regular classes, and another entry form for the Preferred classes.] When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Judging Assignments

Michael Case (102201) Green Valley, AZ (All classes)

Measuring and Jump Height Card Information

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

On the entry form, please designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the

Trial Secretary knows whether to include your dog on the Dogs to Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during the day of show check-in. However, it is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

Our judge is not a Volunteer Measuring Official. Dogs under 2 years of age with an official temporary measurement, dogs with a permanent height card, and dogs that have had at least one official measurement after age 2 by a VMO or AKC agility representative do not need to be measured. All other dogs MUST be measured by one of the judges prior to running; this measurement only applies to this weekend's trials and does not count toward the dog's permanent height card.

Move-ups after entries close must be submitted in writing (e-mail OK) so that the Trial Secretary receives them by 6:00PM PST on Monday Oct 13, 2025. Reply to your confirmation and include the class you are moving from/to. Email to cerealwithdogs@gmail.com. If you do not receive an acknowledgement of your move-up request, please contact the Trial Secretary to make sure that it was received. No phone or text message move ups accepted.

Day to Day move-ups will be accepted at the trial; they must be submitted in writing no later than 30 minutes after the trial is concluded each day.

For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying. FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show. Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed. The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge. Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.

Toys are allowed in the ring, food/treats are not allowed in the ring.

- Toys must be non-audible
- Toys may not leave the handler's hand
- Toys that roll freely cannot be used

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Obstacles

Obstacles will meet the specifications for obstacles in the current edition of AKC Regulations for Agility Trials.

Awards

Ribbons will be awarded for Qualifying scores and for first through fourth place in each height division in each class.

Regular Classes

First Place: Blue Third Place: Yellow
Second Place: Red Fourth Place: White
Qualifying Score: Dark Green

A qualifying score is required for all awards. All awards must be claimed at the show.

All dogs completing a MACH or PACH at this trial will receive a MACH/PACH bar and ribbon. Please let us know before the trial if you are close.

Darkness to Light Abuse Hotline

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone *or need help, please call 800. 656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.*

Trial Location

These Agility Trials will be held indoors on packed dirt on a working horse farm. Ring size is 99' x 100'. Please be respectful of the surrounding livestock and outbuildings. Dogs should stay within the parking, camping, and trial area. The ring will be fenced, with entry/exit openings. Crating will be allowed indoors. Exhibitors can set up in the arena starting at 5:30 PM Thursday. The arena will be set up at 5:00 PM. If the arena layout is done earlier, the club will allow exhibitors to set up at an earlier time. The arena will be open to exhibitors at 7:00 AM Friday, Saturday and Sunday. The Trial Committee reserves the right to consolidate or move setups if necessary, to ensure crating space is available for all and access to the ring and practice jump is maintained.

Limit your space to 4x6 feet for one or two dogs, adding more space for more than three or more. Always supervise your dog and prevent lunging at other dogs. Please avoid crating reactive dogs in busy walkways and bring covers for their crates as needed.

Dust Control: Twin Willows Farm indoor arena is a horse arena. We have been advised that Magnesium Chloride Hexahydrate has been used in the past, mixed in with the dirt to control dust. This is not the same strength that is used on roads to melt ice. Safety Data Sheet available upon request of trial secretary.

Be advised this is a working horse farm and livestock will be present. Please be courteous.

FOOD AT THE TRIAL: There will be no food provided for this trial. Fast food restaurants are in Deer Park.

Please clean up after your dogs on the show grounds (and at your motel)!

WATER: NO potable water is available on site. Please be prepared by bringing your own for yourself and your dogs.

Volunteers

We will have a whiteboard available during the trial for volunteers to sign up. Please volunteer to work – even if you are only available to work for one height in a class, that will help the trials run more smoothly. You will get a \$2 coupon usable toward future SAC agility entries for each class that you work in.
